

The Conference

Now in its sixth year, spanning three days, Lean Agile Scotland is recognised as one of the leading Lean and Agile conferences in the world.

The event covers a broad range topics, taking a holistic view of what it takes to make great software products.

The wide range of sessions stretches participants' thinking and introduces them to bold new ideas.

Our Venue

John McIntyre Conference Centre Edinburgh

Set in the shadow of Arthur's Seat, close to the Scottish Parliament and within walking distance of the famous Royal Mile, the John McIntyre Conference Centre at Holyrood Park provides the perfect location for Lean Agile Scotland. The conference will take full advantage of the spacious facilities: hosting presentations, workshops and open space sessions.

Our Participants

We aim to attract 350+ participants

Lean Agile Scotland is aimed at software practitioners and decision makers.

We aim to attract 350+ participants from across the globe with a focus on Scotland and the North of England.
